Since 1954, Brewery Bar has been known for serving Denver's finest Mexican food. Mexican food is our passion. Now, Brewery Bar Catering has been established to meet the growing demand for quality special events and entertaining without the high cost of other catering companies. You can have your special occasion delivered to your office or home. From drop off and go, to full service catering, Brewery Bar is affordable for all budgets.

Think of us for your corporate events, such as employee/customer appreciation day, office parties, breakfast meetings, and retirement parties, or for home events such as wedding rehearsals and holiday parties.

Brewery Bar Catering means value to the customer and raves from your guests. We are your solution for all occasions.
